President's Message

As I prepare to step down as President of the Sungod Skating Club, I find myself reflecting on an unforgettable year filled with dedication, creativity, and shared joy. It has been a privilege to serve this vibrant community, and I want to express my deepest gratitude to our skaters, families, and coaches who make this club so special.

A highlight of the year was our spectacular bi-annual ice show, *The Wizard of Oz on Ice*, held on March 8, 2025. Every skater lit up the ice, captivating the audience with passion and energy. Congratulations to our Artistic Directors, Hana Haraga and Chelsea Ivanich, for their brilliant vision and leadership. Special thanks also go to Denise Reid, our Ice Show Director, for her tireless behind-the-scenes work. And to the many parent volunteers—your time, spirit, and commitment did not go unnoticed. You helped create something magical, and the memories you helped shape will be cherished for years to come.

Serving on the Board of Directors has been a tremendous honour. As I transition into the role of Past President, I want to recognize the incredible individuals who helped guide the club over the past year: Norma Grant, Ariko Greenfield, Kevin Bursey, Sandy Fang, Nina Wang, Kathrina Nolasco, Cissy Xu, Kim Manner, Tammy Erickson, and Mark Lin. Your collaboration and dedication have been instrumental to our continued success.

A special note of thanks to Kim Manner, who is concluding her term as Director of Tests. Kim has been a valued and consistent presence on the board for many years, serving in a variety of roles with unwavering reliability and generosity. She will be deeply missed.

I'd also like to express my gratitude to Norma Grant, who will be stepping down as Vice President. Her knowledge and insight have been a tremendous asset, and her contributions have touched so many aspects of the club.

To our incredible Club Administrator, Chelsea Ivanich—thank you for your behind-the-scenes brilliance. Your work keeps everything running smoothly, and we are truly grateful for your dedication.

To our Director of Programs, Kevin Bursey—your precision and commitment have been vital to the strength of our programming. It has been such a pleasure working beside you. Your work ethic and dedication to this club are admirable.

Our coaching staff continue to inspire and lead with excellence. Thank you to Kevin Bursey, Constanze Paulinus, Hana Haraga, Chelsea Ivanich, Sabrena Boyal, Austin Ma, Kurtis Hori and Kai-Jing Leong. Your guidance and encouragement empower our athletes to grow, persevere, and shine.

And to our devoted CanSkate coaches: Manheer Dhaliwal, Alisa Goncharova, Julie Manner, Crystal Wong, Haley Urwin, Isabella Lai, Peyton Reid, Taylor Perkins, Alson Chang, and Leila McManus—thank you for being the welcoming faces who support our newest skaters. Your enthusiasm builds the foundation of our future.

Lastly, an enormous thank you to all our Program Assistants. Your support in the Learn to Skate programs is absolutely vital, and we're so appreciative of the time and care you give.

INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT

To the Members of Sungod Skating Club

We have reviewed the accompanying financial statements of Sungod Skating Club (the Club) that comprise the statement of financial position as at March 31, 2025, and the statements of revenues and expenditures, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Sungod Skating Club as at March 31, 2025, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Report on Other Legal and Regulatory Requirements

As required by the British Columbia Societies Act, we report that, in our opinion, the Club's financial statements have been prepared following Canadian accounting standards for not-for-profit organizations.

1. PURPOSE OF THE CLUB

Sungod Skating Club (the "Club") is a not-for-profit organization incorporated provincially under the Societies Act of British Columbia. The society is exempt from the payment of income tax under Section 149(1) of the Income Tax Act.

The Club is organized to promote, encourage, advance and teach basic skating and figure skating in all forms. The Club hosts an ice show every two years to promote skating activities. The next ice show is expected to be held in fiscal year 2027.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

Net assets

Revenues and expenses related to program delivery and administrative activities are reported in the General Fund.

The Capital Asset Fund reports the assets, liabilities, revenues, and expenses related to Sungod Skating Club's capital assets.

Gaming contributions are reported in the Restricted Fund. Funds received from the BC Gaming Commission are restricted to the eligible expenses identified by the Community Gaming Grant received.

Revenue recognition for contributions and other income

Sungod Skating Club follows the deferral method of accounting for contributions.

The Club's restricted contributions are funds received from the Gaming Commission and these contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted investment income is recognized as revenue in the year in which the related expenses are incurred. Unrestricted investment income is recognized as revenue when earned.

Seminar fees are recognized as revenue when the seminars are held.

Registration fees and other related skate fees are recognized in income in the period in which the fees relate. Registration fees collected in advance are recorded as deferred revenue.

Income from skate, jacket and other merchandise is normally recognized when the merchandise is received by the customer.

Interest income is recognized in income in the period in which the interest has been earned.

Contributed services

Volunteers contribute a significant amount of their time each year. Because of the difficulty in determining their fair value, contributed services are not recognized in the financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Cash and cash equivalents

Cash includes cash and cash equivalents. Cash equivalents are investments in term deposits and are valued at cost plus accrued interest.

Cloud computing arrangements

The Club uses the simplified approach of accounting for cloud computer expenses. Under this approach, the Club recognizes the expenditures related to the elements in the cloud computing arrangement as an expense as incurred.

As at March 31, 2025, the Club incurred total expenses pertaining to cloud computing arrangements of \$8,537.

Financial instruments

The Club initially measures its financial assets and liabilities at fair value. It subsequently measures all of its financial assets and financial liabilities at amortized cost.

Financial assets subsequently measured at amortized cost include cash, term deposits, and accounts receivable. Financial liabilities subsequently measured at amortized cost include accounts payable, and volunteer deposits.

Tangible capital assets

Tangible capital assets are stated at cost or deemed cost less accumulated amortization and are amortized over their estimated useful lives on a declining balance basis at the following rates and methods:

Skater equipment	20%
Office and sound equipment	20%

Tangible capital assets acquired during the year but not placed into use are not amortized until they are placed into use.

3. TERM DEPOSIT

The Club has funds invested in a term deposit, with a term of 1 year, bearing interest at a rate of 5% annually.

4. TANGIBLE CAPITAL ASSETS

	Cost	Accumulated amortization	2025 Net book value	2024 Net book value
Skater equipment	\$ 7,008	\$ 2,956	\$ 4,052	\$ 5,065
Office and sound equipment	9,152	3,878	5,274	2,946
	<u>\$ 16,160</u>	<u>\$ 6,834</u>	<u>\$ 9,326</u>	<u>\$ 8,011</u>

5. SCHOLARSHIP AWARDS

In 1966, the Club established the Winnifred Huffington Scholarship Award. The principal plus accrued interest of \$5,866 was invested in a 5-year term deposit during August 2023 earning interest at 5.00%. The interest earned is allocated to the operating fund to provide for the annual Huffington scholarship which was \$293 (2024 - \$293).

In 2024, the Club established the Jaye Flack Memorial Scholarship Award. The principal plus accrued interest of \$1,000 was invested in a 10-year term deposit during June 2024 earning interest at 4.25%. The interest earned is allocated to the operating fund to assist skaters with club fees.

6. OTHER PAYABLES

The Sungod Skating Club tracks volunteer deposits in their accounting system allowing the volunteers to choose to receive a refund or credit towards their registration fees as minimum volunteer hours are met. At year-end volunteer deposit was \$12,900 (2024 - \$12,000).

The Club issues gift certificates in lieu of refund credits, for scholarships and as payment for services provided. At year-end outstanding gift certificates redeemable were \$18,744 (2024 - \$12,613).

7. GAMING FUNDS

	2025	2024
Opening fund balance	\$ 478	\$ 5,040
Gaming Grant from BC Gaming Commission	70,000	64,000
Sport participation grant	-	15,000
Event licensing	6,038	1,120
Raffles	(3,129)	(591)
Disbursements	(70,412)	(84,091)
Deferred contributions	<u>\$ 2,975</u>	<u>\$ 478</u>

The Club received funds from gaming grant during the year. The funds were disbursed to help pay for ice fees.

8. REMUNERATION PAID TO DIRECTORS, EMPLOYEES AND CONTRACTORS

Under the Societies Act (British Columbia), the Club is required to disclose the remuneration paid to directors, as well as to employees and contractors who receive remuneration over \$75,000 in the fiscal year. There are no employee's or contractors with annual remuneration over \$75,000.

9. FINANCIAL INSTRUMENTS

The following analysis provides information about the Club's risk exposure and concentration as of March 31, 2025.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. Credit risk related to program registration fees is low as payment is required to be processed at the time of registration. Where collectibility issues arise, registration is cancelled or suspended until payment is received.

SUNGOD SKATING CLUB
Notes to Financial Statements
Year Ended March 31, 2025
(Unaudited)

9. FINANCIAL INSTRUMENTS *(continued)*

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Club is exposed to this risk mainly in respect of its ability to continue to make programming available to registrants and pay related operational liabilities.

Additional risk

Unless otherwise noted, it is management's opinion that the Club is not exposed to significant other price risks arising from these financial instruments.

10. CONTRACTUAL OBLIGATIONS

The Club finalized negotiations in March 2025 with the City of Delta to secure an exclusive right to use the City's ice facilities. As a result, the Club's licence to use the City's ice facilities has been renewed to April 30, 2028.

The Licence fee payable by the club to City of Delta is \$2,278.50 plus all applicable taxes per annum.

11. COMPARATIVE FIGURES

Some of the comparative figures have been reclassified to conform to the current year's presentation.

Paper for: The Sungod Skating Club Membership
RE: Year End Report for AGM 2025
Date: Sunday 22nd June 2025
Author: Kevin Bursey, Director of Programs

The 2024/2025 season has been a dynamic, forward-moving, and highly successful year for the Sungod Skating Club.

Each season, we wonder how we can possibly exceed the accomplishments of the last—and yet, time and again, our collective efforts elevate us to new heights. This year has been no exception, as we continue to grow and excel across all areas that define a thriving and successful organization.

Our competitive profile has continued to grow significantly this season, highlighted by the impressive achievements of our StarSkate and Podium Pathway athletes at both out-of-club and out-of-province events.

Over the past three years, we've seen a steady increase in our medal count—a clear reflection of the dedication, skill, and progress of our skaters and coaching team. This upward trajectory is something we take great pride in, and it speaks volumes about the strength and depth of our competitive programs.

Our calendar of events and activities over the past year has been nothing short of remarkable, with the standout highlight being our spectacular production of The Wizard of Oz on Ice, presented at the close of the winter season. This unforgettable performance showcased the talent, creativity, and hard work of our skaters, coaches, and volunteers, leaving a lasting impression on all who attended.

The Sungod Skating Club is proud to have a team of dedicated and forward-thinking coaches who consistently pursue opportunities for professional growth. We saw our team grow this past year in both new coaches as well as coaches obtaining higher levels of certification with the National Coaching Program. At the heart of our club's success is the collaborative spirit of our coaching team, whose dedication, passion, and unwavering loyalty continue to drive our growth and excellence.

From standout performances and expanded coaching expertise to memorable events and ongoing club growth, the 2024/2025 season has been a year of progress, achievement, and community spirit.

Here is an overview of the key events, activities, and developments that have shaped the Sungod Skating Club over the past year:

MEMBERSHIP

While we've continued to see strong growth in our StarSkate and Competitive programs—with a 12% increase in participation—our CanSkate numbers experienced a slight decline this year.

In reviewing this trend, feedback from our membership highlighted challenges related to the Spring 2024 session, which saw record-high enrollment for a spring CanSkate program. The increased demand placed considerable pressure on the limited space at the Tilbury facility. Many participants struggled with parking and had difficulty finding room to put on their skates, which may have

influenced some families' decisions not to return this year to avoid those inconveniences. We remain committed to understanding and addressing these concerns to ensure a positive and accessible experience for all skaters and their families.

Comparative of our CANSKATE registrations over the past two seasons:

Season	2023 / 2024	2024 / 2025
Fall	176	184
Winter	232	219
Spring	169	126
Total before adding Summer	577	529
Summer	127	TBC
Grand Total	704	TBC

Our StarSkate/Competitive programs experienced strong growth, increasing from 100 members at the end of Spring 2024 to 112 members by the close of the Spring 2025 season.

COMPETITIONS

Our StarSkate and Podium Pathway athletes continue to elevate our club's profile and solidify our reputation as one of the top skating clubs in the province. Their outstanding performances this past season speak volumes. Below is a direct comparison of the medals earned this year versus our results from the 2023/2024 season:

PATHWAY	MEDALS	
	2023 / 2024	2024 / 2025
StarSkate	23	25
Podium	6	16
TOTAL	29	41

Here were the athletes and the number of medals they achieved through the past years' competitions in both pathways:

For a comprehensive overview of Sungod’s competition results over the past 12 months, please see **Appendix 1**.

Alson Chang proudly kept the Sungod Skating Club represented on the national stage this year by qualifying through the 2025 Provincial Championships to compete at the 2025 Skate Canada Novice National Championships as a representative of British Columbia.

A heartfelt congratulations to all of our skaters who showcased their dedication and talent while representing our club with pride throughout the many competitions this past season. Your hard work continues to inspire and elevate the standard of excellence at Sungod.

COACHING

This winter, our coaching faculty was strengthened by the exciting addition of Kurtis Hori, a former national-level athlete and proud Sungod Skating Club alumnus.

Kurtis has been a valuable addition to our team, bringing a wealth of experience, technical expertise, and a deep passion for the sport. His sessions have been both inspiring and impactful, offering our skaters new perspectives and high-level instruction rooted in his competitive background.

At the grassroots level of our club’s development, we’re proud to welcome newly certified club coaches Leila McManus and Alson Chang. Our CANSKATE program continues to thrive, now supported by an impressive team of 10 Junior Coaches—the largest number in our club’s history.

This year, we were especially thrilled to celebrate a significant milestone: our High-Performance Manager, Constanze Paulinus, achieved her Technical Specialist certification through Skate Canada.

This accomplishment not only reflects Constanze's commitment to excellence but also enhances our club's technical expertise. Having a certified Technical Specialist on our coaching team provides invaluable insights and benefits to our skaters' development and competitive success.

The Sungod Skating Club remains committed to supporting the professional development of its coaches. Each year, dedicated funding is included in the club's annual budget to invest in this important initiative. This ongoing support creates valuable opportunities for our coaching team to advance their knowledge, grow their expertise, and stay at the forefront of the industry.

CLUB EVENTS

Looking back at the 2024/2025 season, I'm truly amazed by what we accomplished. Last year, with 58 club events and activities, I already felt we were doing an exceptional job of creating meaningful opportunities to strengthen our club spirit and community. This season, we went even further—organizing 72 events and activities, an increase of 14 from the previous year. It's a testament to the dedication, creativity, and teamwork that continue to define our club.

For a full list of the club events and activities please see Appendix 2.

A true highlight of the season was our production of *The Wizard of Oz on Ice*—our most successful ice show to date. This production brought together imaginative choreography, modern technology, and stunning visual effects in a way that captivated audiences from start to finish. The seamless integration of on-ice performance with a dynamic screen show elevated the entire experience to new heights. A heartfelt thank you to our brilliant Creative Directors, Hana Haraga and Chelsea Ivanich—your vision and creativity brought this beloved classic to life on the frozen stage with extraordinary impact. Special thanks also to Kurtis Hori for his exceptional work on the animated graphics, which played a pivotal role in making this production a standout moment in the Sungod Skating Club's proud tradition of biannual ice shows.

This past season was filled with truly memorable events that showcased the heart and spirit of our club. From proudly participating in the Canada Day North Delta Parade to welcoming new and returning members at our Fall Open House, each occasion added something special to our year. Highlights included the Provincial Team Send-Off, our annual Magic Monday StarSkate Seminar, the festive 2024 Christmas Recital and Club Party, and our involvement in the BC/YT Development Camp in Kelowna. We also celebrated the success of our skaters at the Academy 3 and Norma Grant Academy Club Competitions, as well as our Spring Pre-Star 1 Club Competition. These experiences created lasting memories for everyone involved and beautifully reflected what makes our club truly exceptional. Heartfelt thanks to all who contributed to making these events such a success.

CLUB DEVELOPMENT

Our club continues to lead the way in developing innovative programs and enhancement tools for our members.

A standout addition this past year was the introduction of the Bronson Mechanical Spinner last July—a high-tech device designed to improve rotational technique for spins and jumps. While initial use required skaters to adjust to its accelerating speeds, the progress we've seen in less than a year has been remarkable. Although the overhead harness component remains at the Sungod Arena due to

installation constraints, our coaching team successfully transported the spinner to the Tilbury facility this spring, allowing continued development with this cutting-edge training tool.

This spring, our CANSKATE program took a significant step forward by going paperless in all aspects of daily operations—including attendance, progress tracking, and class lists. To support this transition, the club invested in mini tablets, allowing coaches to manage everything digitally while on the ice. Gone are the days of clipboards, paper forms, and pencils! This modern approach has brought increased efficiency and a streamlined experience to our Learn to Skate program. A big thank you to our CANSKATE Coordinator, Austin Ma, for spearheading the implementation of this innovative system.

Throughout Fall 2024, we continued offering our highly valuable early morning Directors’ Workshops. While attendance remained modest, the skaters who consistently participated demonstrated significant progress. Test results from both September and December clearly reflected the program’s objectives—improved skill acquisition, refined spinning and jumping technique, and enhanced skating power. The measurable outcomes affirm the effectiveness of this initiative, and we are pleased to confirm that these sessions are scheduled to continue this coming September.

This season, our Academy program reached its highest enrollment since its inception in 2011—a milestone achievement for our club. A key factor in this growth was the introduction of our first-ever Open Tryouts for Figure Skating, held the week following our ice show. This new initiative provided an accessible pathway for skaters from our CANSKATE and City Learn to Skate programs, as well as those from outside organizations, to be assessed for placement within the Sungod development stream. Building on its success, we plan to offer one to two Open Tryout sessions each year as a way to continue identifying and welcoming new talent into our Academy program.

Here is a chart that demonstrates the growth we have seen in the Academy program over the past 7 years (Pre and Post Covid):

YEAR	NUMBER OF PARTICIPANTS
2019	39
2020	33
2021	21
2022	24
2023	30
2024	37
2025	45

This summer, we were fortunate to secure our full requested ice allocation from the City of Delta—an achievement we're especially grateful for given the ongoing renovations and upgrades taking place at several Delta facilities. As a result, we will be skating across different venues throughout the summer. While this presents a slight shift from our usual routine, the excellent news is that we’ve secured all the hours necessary to run every program across the full seven-week summer season. This is critically important, as summer represents the most impactful training period for school-aged figure skaters. With school out of session, skaters are able to bring greater focus and energy to their training, often making their most significant developmental strides during this time. Our coaching team is eager to

dive into the summer with a structured, high-impact approach to training. We hope every skater embraces the opportunity that summer training provides and returns in the fall stronger, more confident, and ready to reach new heights.

SUMMARY

As we look back on the past 12 months, I'm filled with immense pride and gratitude for what has truly been an exceptional year for our club. The achievements, progress, and sense of community we've built together are nothing short of inspiring.

To our incredible Board of Directors—thank you for your steadfast leadership and commitment to the continued growth of the club. Your vision and governance have been instrumental in steering us forward with strength and purpose.

A special thank you to our President, Ronnie Perkins. Your years of unwavering commitment and dedication to the Sungod Skating Club have made a lasting impact, and they deserve our deepest recognition and heartfelt gratitude. I look forward to speaking more about this in person on the day.

To my coaching team: your passion, professionalism, and relentless dedication are the foundation of our success. The support you offer both on and off the ice does not go unnoticed, and I am truly fortunate to work alongside such a skilled and committed group.

To our volunteers—thank you for the countless hours you've devoted behind the scenes. Whether helping with events, supporting skaters, or stepping in wherever needed, your contributions are deeply appreciated and vital to the smooth operation of our club.

And finally, to our skaters: you are the heartbeat of Sungod. Your enthusiasm, determination, and love for the sport are what make our community so vibrant and inspiring. I hope your time with us continues to bring you pride, personal growth, and memories that will last a lifetime.

Together, we've accomplished so much—and I have no doubt that the year ahead holds even more promise. Thank you to each and every member of the Sungod Skating Club for your unwavering support and dedication.

CanSkate Report: Sungod Skating Club

As the current, Director of CanSkate board member, I am grateful to be part of an amazing team, the Sungod Skating Club Community. One of my responsibilities is to promote the CanSkate program within our community. I am excited to provide an update on the activities throughout the year.

We have maintained a successful enrollment rate and we hope to continue to grow and promote our CanSkate program. Our Spring enrollment was not as high as previous years, but we are optimistic that our enrollments will increase. The CanSkate program has been and continues to be promoted throughout our community by various means such as advertising through local avenues and through the support of our schools. We are fortunate to have great relationships with the school communities. The schools have continued to support our programs. The schools support us through ensuring that all our promotional material is distributed throughout the school, so that each child's family is aware of skating opportunities. I am appreciative for the school's continued participation for our program.

As we are trying to grow and promote our CanSkate program, I am happy to share that the schools are supportive in inviting Sungod Skating Club to school assemblies in the fall. Currently, we have one school, Sunshine Hills booked in the middle of September. Having a member of our coaching team giving a presentation about our CanSkate Program in the schools can be beneficial in promoting our sport, skating. I am grateful for this opportunity with the schools because it brings awareness of the benefits of skating such as fitness, fun and friendships.

This year was an ice show year; I am pleased to announce that the feedback that I heard from the CanSkate families was positive. Overall, the families and the skaters enjoyed being part of the Wizard of Oz performance. It was a great performance that was enjoyed by so many people.

Thank you to all of the volunteers, skaters, coaches, board members and the Sungod skating community for all of your support. I look forward to the coming year and all the future success.

Thank you,

Tammy Erickson

Director of CanSkate, Sungod Skating Club

Dear Sungod Skating Club,

Over the past year, we have made extensive use of the TVs and electronic display boards across all recreation centres to promote our CanSkate programs and Ice Show. I would like to extend my sincere thanks to the City of Delta and staff for their ongoing support in accommodating our advertising needs.

Our website has been regularly updated with newsletters, junior coach spotlights, and details about special events, including the Ice Show and competitions. It is also integrated with our social media accounts to reflect the latest updates and activities.

A heartfelt thank you to all our skaters, families, and coaches for your continued support. I look forward to an exciting new season ahead, with even greater success in all our events.

Warm Regards,

Sandy Fang

Publicity, Sungod Skating Club

Dear Sungod Skating Club,

My first year as Special Event Director has been a meaningful and inspiring journey. With the primary responsibility of coordinating catering for all club events, my goal has been to enhance the experience for our skaters, families, coaches, and guests. It has truly been a rewarding year filled with learning, teamwork, and growth.

This season, we came together for Magic Monday, the Christmas Recital, and a very successful Ice Show. We also celebrated Halloween, Valentine's Day, Easter, and the end of each term. Most recently, we wrapped up three exciting in-house competitions. A big thank you to our incredible coaches for organizing such fun and inspiring events for our skaters.

I'd also like to extend my heartfelt gratitude to the Board, parent volunteers, and coaches for your support and collaboration throughout the year. Your dedication made each event possible. I look forward to working alongside you next year.

Warmly,
Nina Wang
Special Event Director
Sungod Skating Club

Dear Sungod Skating Club,

The 2024/2025 season has been an exciting and successful testing year. We had over 150 tests performed in the last few months with a 98% pass rate!

I would like to acknowledge our exceptional coaching staff at Sungod Skating Club. Our coaches went above and beyond this past year to facilitate our skaters' Skate Canada Tests. They do not solely adjudicate our skaters performing their tests. It is a great deal of work to identify which skaters to test and then prepare and train these skaters so that they are successful. This is in addition to all that they do preparing our skaters for provincial competitions, special events such as ice shows and in house competitions. Thank you to our coaches for their dedication and hard work regarding testing. We are truly lucky to have such great team of coaches.

Our Sungod skaters tested from Star 1 all the way to Gold Free Skate and Gold Artistic Skate this season. We had 2 skaters challenge and pass their Gold Free Skate and 1 skater challenge and pass her Gold Artistic Skate this season. Congratulations to Jerry Chang and Madeline Lin on their Gold Free Skate Test and congratulations to Julie Manner on her Gold Artistic Skate Test! This is a huge accomplishment for these skaters and we are so proud of them.

The administration fee for testing has been three dollars per test for the past three years. This covers the cost of the badges as well as paper and printing costs. The club will be continuing with this charge.

Thank you to all our families, coaches and skaters for your support this year with testing. I would particularly like to thank Coach Hana for all the support and hard work with testing over the years that I have been Test Chair of Sungod. Her organization and work with identifying skaters, scheduling tests and facilitating the adjudication of tests has been invaluable.

We have had an exceptional year of testing with our skaters and as a club we look forward to the 2025/2026 season. I wish all our skaters the very best of luck with their endeavors on and off the ice.

Warm regards,

Kim Manner

Volunteer Report

To Sungod Skating Club:

I am honored to have served as a board member in the volunteer position of Director over the past year. This has been a challenging yet rewarding year, as it was my first time learning about board operations.

I would like to extend my heartfelt thanks to everyone who volunteered their time for the club—whether it was for the Magic Monday event, the Christmas Show, the Ice Show, moving equipment, or supporting club competitions. Each line coordinator dedicated over 40 hours of personal time to ordering and making costumes, assisting skaters, and preparing equipment for the Ice Show. A big thank you once again to all the parents for their incredible efforts and support.

I also want to express my deep appreciation to our Coaches, fellow Board Members, and especially Ronnie and Chelsea. They have always been willing to answer my questions and support me in my role, for which I am truly grateful.

Sincerely,

Cissy Xu

Volunteer Coordinator

Vice President's Report: June 17th 2025

My responsibilities over the past year have been to continue to advise and consult with the Director, president and executive. My knowledge of the history surrounding decisions regarding the general running of the club, coaching and scheduling has proven to be helpful.

I continued to assist in negotiating & setting up the contracts for the coaches for the 2024/25 Season.

I'm pleased to report that the club is in good hands, your Director, executive & coaches are working hard to keep everything up to date and bringing forward new and exciting initiatives.

I look forward to seeing Sungod Skating Club grow in the 2025/26 season.

Regards:
Norma Grant
