BC WINTER GAMES RESULTS

Just under 1300 participants took to Vernon to take part in the BC Winter Games from March 23-26, 2023. Of this number Sungod was proud to send four skaters and one coach to this grand event. Alson Chang, Bowen Yan, Nicholas Lam, and William Bryan took to the ice to compete and coach Constanze Paulinus joined them as one of the official coaches at the Games. It is an amazing feat to be invited to the BC Winter Games and an even more amazing that our very own Alson Chang won a gold medal in his category of Pre-Novice Men. William Bryan earned a fourth place finish, and Bowen Yan ended in fifth in the same category. Nicholas Lam earned a fifth place finish in Juvenile Men. Go Team Sungod!
