DRYLAND BACK AT TILBURY

After many recent updates to the restrictions and protocols, all Summer 2021 programs are now able to take place at Tilbury Ice, including dryland classes! All dryland classes are located in the newly updated multi-purpose room upstairs at the facility.

PATRICK CHAN COMES TO SUNGOD!

The Sungod Skating Club was fortunate enough to welcome the 10 times Canadian National Mens Champion, 3 times World Champion and Olympic gold medallist, Patrick Chan to Tilbury Ice for two day long seminars on July 19th and July 26th. Patrick imparted his tips and tricks on our eager High Performance, Session A, Session B, and Session C skaters, along with a few non-club members. The athletes worked on everything from edges to jumps, spins to performance.

It was truly an amazing experience for everyone involved to have such an esteemed presenter at Sungod. Surely the skaters will not soon forget their time on the ice with an Olympian!

VOLUNTEERS MOVE US!

Volunteers are an essential resource of any club and Sungod is lucky enough to have some of the best! Thank you to all the volunteers who helped Coach Jacqueline Chan move and load the heavy equipment to Chalmers Elementary: Bowen Yan, Caden Chen, Harry Bryan, Isabella Lai, Julie Manner, Leila McManus, Mike Perkins, and Pareena Sidhu.

And thank you to all the volunteers who helped Coach Jackie with the second move, from Chalmers Elementary to the rink; Denise Reid, Mike Perkins, Peyton Reid, Ronnie Perkins, Taylor Perkins, and William Bryan.

We could not have done it without each and every one of you helping pitch in!

SUNGOD PREPARES SUMMER CLUB COMPETITION

Unfortunately there was no StarSkate event hosted by Skate Canada this season, however the Sungod Skating Club will be hosting our very own Summer Club Competition. What better way is there for our StarSkaters to show off all their diligent work over the last few weeks and bring in some competitive spirit! The competition will be held on Monday, August 16th at Tilbury.

SUMMERSKATE COMPETITION SCHEDULE

Due to a high volume of entries the 2021 Belairdirect Skate Canada BC/YK SummerSkate Super Series will now be taking place starting on Monday, August 09th and concluding the final day on Sunday, August 15th, 2021. Many of our own competitive skaters are set to compete at the event this year; don't forget to cheer on your Sungod family by watching the livestream online! The full event schedule and livestream will be available at www.skatinginbc.com.

REGULAR SKATING ON BC DAY

There is regular skating on BC Day, Monday, August 02nd, 2021.

FINAL SUMMER SIMULATION

The competitive skaters have had the opportunity to skate in two simulations so far in preparation for SummerSkate. The final competitive simulation will take place on Friday, August 06th, 2021. As the club will also be hosting a club competition, there will also be a StarSkate simulation on this date. Good luck, skaters!
