TERM 2 OF THE FALL/WINTER SEASON

January 6th to March 14th, 2025

Important Program Changes for Junior to Senior Groups

We are thrilled to announce that 2025 marks another exciting Ice Show year. With the highly anticipated release of the multi-million-dollar film *Wicked*, our production of *The Wizard of Oz* on Ice is set to captivate audiences and is sure to be a highlight of the season.

As with every Ice Show year, we must adjust the regular scheduling established in Term 1 to accommodate the necessary rehearsal time for the production. These changes are particularly relevant for Junior, Intermediate, and Senior-level groups.

Here are some changes to the Weekly Program Schedule for Term 2:

Enrichment Classes Rescheduled to Early Mornings

To facilitate Ice Show rehearsals, the developmental enrichment classes will be moved to early morning sessions as follows:

Tuesday: 7:00 – 8:00 am – Senior Enrichment

Thursday: 7:00 – 8:00 am – Junior & Intermediate Enrichment

In addition, open sessions will be available from 6:00 – 7:00 am on both days for skaters who wish to supplement their regular schedules with additional or replacement sessions.

We understand that early morning training may present a challenge for some families; however, we strongly encourage all affected groups to adjust to this schedule. Skaters who are unable to attend these early morning sessions will miss out on enrichment classes for the duration of Term 2. These enrichment classes are critical for enhancing skaters' development, including skill progression, jump and spin technique, and overall technical proficiency.

Please note:

All after-school enrichment classes and spin sessions previously scheduled for Term 1 will now be repurposed as Ice Show rehearsals for the full term. Additionally, the early morning Jump & Spin Workshops that ran during Term 1 have been replaced by these new enrichment classes.

Hiatus for the Artistic Program

The Artistic Program, which was introduced in Term 1 on Tuesday evenings, will take a hiatus during Term 2. Skaters who participated in this program will still have the opportunity to continue developing their artistic routines during their regular training sessions.

CANSKATE PROGRAM – Essential to Club Growth and Recruitment

The CANSKATE program is a cornerstone of our club's structure and plays a pivotal role in both the growth of our organization and the recruitment of new skaters into the sport of figure skating. We encourage all members to actively promote this outstanding program to friends, family, and the wider community over the coming month.

For Term 2, the CANSKATE schedule will follow the same structure as Term 1, with classes offered at the following times:

Tuesdays: 5:15 – 6:00 pm & 6:00 – 6:45 pm

Sundays: 8:30 – 9:15 am (Pre-School), 9:15 – 10:00 am & 10:00 – 10:45 am

The first set of classes will begin on Tuesday, January 7th and Sunday, January 12th, 2025.

Classes will conclude on Sunday, March 9th and Tuesday, March 11th, 2025.

We ask that everyone work together to help grow this vital program and spread the word within the Delta community. As the #1 Learn-to-Skate program in the country, CANSKATE is a fantastic opportunity for children and adults alike to begin their skating journey. Additionally, all CANSKATE skaters registered in Term 2 will be included in the Wizard of Oz on Ice biannual Ice Show on March 7th & 8th 2025! An amazing opportunity for the newest skaters in our club.

Registration is now open through Uplifter and can be accessed via our website at

www.sungodskatingclub.com.
