BC WINTER GAMES

Congratulations to Alson Chang, Bowen Yan, Nicholas Lam, and William Bryan for being selected for the upcoming BC Winter Games taking place in Vernon, BC. Good luck, skaters!

WINTERSKATE FUN

In early February the Sungod competitors took to the ice at Minoru Arena for the 2023 Winterskate & BC Coast Regional Championships. The skaters had great events and a special congratulations to Bowen Yan for his first place finish as well as Isabelle Liang and Endacy Yu who achieved a Gold result in their events!

With our Ice Show just days away, we thought this was the perfect opportunity to thank our skating families. This has been a busy few weeks for the skaters, coaches and parents and this performance would not be possible without the support and energy of our families. Thank you for all the extra work that many have you have been doing to bring this ice show to life. Thank you for ALL you do to make Sungod Skating Club an AMAZING place to skate.
