ANNUAL CLUB BOTTLE DRIVE

Thank you to everyone who supported our Annual Club Bottle Drive! Whether you helped flyer, collect, sort, or drop off bottles, your time and effort made a big impact. Stay tuned for the total raised as the recyclables are still being counted at the depot – we can't wait to share the final number with you all!

NEIGHBOURHOOD BOTTLE DRIVE

A huge shout out to the Martens family for their incredible effort in organizing a successful Bottle Drive within their own Neighborhood! Ashley, Lucas, Noah, Jamie, Nathan, and Dan worked together as a family delivering their flyers, picking up bottles and dropping off directly at the depot. Their hard work resulted in an impressive \$187.80 in recyclables and a generous \$50 donation. We are so grateful for their dedication and Club spirit—thank you for making a difference!

MOVE TO TILBURY

Details about the move to Tilbury and volunteer positions to be released soon!
Keep an eye on your emails.
