PROGRAM ASSISTANT OF THE MONTH

October program assistant of the month goes to Sophie Doyle! Sophie has been skating with the Sungod skating club since 2021! She works with our youngest Canskaters on the ice and is always actively looking to help where she can. Sophie demonstrates great time management skills by being early and knowing when to set-up and clean- up to help the sessions run smoothly! Super work Sophie, keep it up!

Remembrance Day

Regular
skating
