Please see the bulletin board at the arena for the details of the roles and their various descriptions. The audition process will be improv style (creative expression), with the music provided at the audition. There will be a short practice prior to the proper audition performance. This will be a group audition, and stand outs will be given the opportunity to do a final skate. Registration for the auditions will now close on October 03rd at 11:59pm. Auditions will be closed for general viewing. Skaters can sign up for a maximum of 3 roles. Remember, if you don't audition you won't be selected! So don't be shy - show us what you've got!
