HALLOWEEN DRESS-UP DAYS

For Halloween dress-up days remember to wear a fun outfit that does not drag on the ice! Can't wait to see all you ghouls and ghosts!

SECTIONAL SIMULATIONS

The very first Sectional simulation took place in September and our team put on their best show! The next simulation is October 01st, followed by October 08th, and finally November 05th. We can't wait to see these athletes grow through the season and a reminder that parent viewing is permitted for all simulation events!

Important Dates:

October 01	Sectional Simulation 2
October 08	Sectional Simulation 3
October 14 - 17	2021 Belairdirect BC/YK Section Autumn Leaves Super Series
October 20	Virtual AGM - 7:00 PM
October 26	CanSkate Halloween party/dress-up
October 29	Academy Halloween party/dress-up
October 31	Academy & CanSkate Halloween party/dress-up

AUTUMN LEAVES UPDATE

The 2021 Belairdirect BC/YK Section Autumn Leaves Super Series event will be taking place in Chilliwack from October 14 – 17, 2021. Unfortunately due to an exceptional volume of entries to the competition the STARSkate events from Star 2 to Gold had to be cancelled. Hopefully there will be the opportunity for the Star events to move forward soon! For now we are excited to cheer on our competitive athletes at this event. Watch the livestream online at www.skatinginbc.com

The 2022 belairdirect Skate Canada BC/YK Sectionals Super Series has also been announced for November. We look forward to seeing Sungod skaters show off their competitive spirit at both these events soon.

EARLY BIRD GETS THE WORM

Our Junior skaters have the opportunity to join in on early morning workshops this season and work on furthering their skills together. These superstars wake up before the sun is even shining and bring their notebooks to the rink to keep all the work they do safe. Early mornings can be hard but these skaters are ready to go!

LET'S STAY HEALTHY TOGETHER

As Fall gets well underway, we should all remember that with the wonderful things that come with this time of year (back-to-school, leaves changing colour, pumpkin carving!) one of the less enjoyable things that joins in is cold and flu season.

Washing your hands is still one of the most effective ways to help keep yourself and others healthy. Wash them frequently and for at least 20 seconds each time. Don't forget your mask when venturing out on your adventures in the newly crisp air, and if you feel sick or have any symptoms of Covid-19 remember to self-check and stay home when necessary!

Together we can help keep the community healthy

OPEN HOUSE SUCCESS

It was truly wonderful that this year our club was able to host an Open House event for the first time since 2019. On Sunday, September 12, 2021 many members of the community came out to the Sungod Recreation Centre in the morning to try CanSkate for free, along with access to free skate and helmet rentals with the assistance of the City of

Delta. This Open House was one of our busiest ever! So many skaters of all ages came to try out, support the club, and play a host of games and win prizes. The Open House led to a huge boost in registrations this season! CanSkate is booming and we are extremely proud to have so many brand new members to the Sungod Skating Club.

There are some limited space left on each session for Fall:
