SUMMERSKATE SUPER STARS

Sungod skaters took to the ice at Scotia Barn in Burnaby to compete at the 2022 Belairdirect BC/YK Super Series Summerskate in the month of August. Everyone went out to show off the skills they acquired with all their hard work over the season and what a great time it was for all! Some of our newest Juniors also got the opportunity to participate in their very first Star 1 event. Way to go, team Sungod!

PROGRAM ASSISTANT OF THE MONTH

August Program Assistant of the month goes to Taylor Perkins! Taylor always brings a great energy to the rink that the kids love! She is quick with setting up the fast track and artsy with her circuits, adding her own flair. Another great asset to the team, we appreciate her great work this month.

Amazing job, Taylor!

AUGUST THEME DAYS

To end off the summer, each level got to participate in a few dress up theme days.
